Dear Dr Yue:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Educational Programs (CAMPEP), I am pleased to inform you that The Cancer Institute of New Jersey UMDNJ-Robert Wood Johnson Medical School Residency Program in Radiation Oncology Physics has been granted accreditation through December 31, 2014. This accreditation is contingent upon completion of acceptable annual reports.

Please accept our congratulations on the accreditation of your program. You are expected to provide annual progress reports on these suggestions and also to provide information regarding any substantive changes in the program.

By separate cover, you will receive a framed certificate acknowledging accreditation of the program. Please contact me if you have any questions or suggestions on the accreditation process.

Sincerely,

William R. Hendee, PhD
