Dear Dr Wilkinson:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Educational Programs (CAMPEP), I am pleased to inform you that the Cleveland Clinic Residency Program in Radiation Oncology Physics has been granted accreditation through December 31, 2014. This accreditation is contingent upon completion of acceptable annual reports.

Please accept our congratulations on the accreditation of your program. The report prepared by the review team appointed by the Residency Education Program Review Committee is provided to you with this letter. This report offers some specific suggestions for improvement of the program which we hope will be implemented during this period of Accreditation. You are expected to provide annual progress reports on these suggestions and also to provide information regarding any substantive changes in the program.

By separate cover, you will receive a framed certificate acknowledging accreditation of the program. Please contact me if you have any questions or suggestions on the accreditation process.

Sincerely,

William R. Hendee, PhD  
President and Chairman
