Dear Dr Sajo:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Educational Programs (CAMPEP), I am pleased to inform you that the graduate program in medical physics at the University of Massachusetts Lowell has been granted accreditation through December 31, 2015. This accreditation is contingent upon completion of acceptable annual reports.

Please accept our congratulations on the accreditation of your program. The report prepared by the review team appointed by the Graduate Education Program Review Committee is provided to you with this letter. This report offers some specific suggestions for improvement of the program which we hope will be implemented during this period of accreditation. You are expected to provide annual progress reports on these suggestions and also to provide information regarding any substantive changes in the program.

By separate cover, you will receive a framed certificate acknowledging accreditation of the program. Please contact me if you have any questions or suggestions on the accreditation process.

Sincerely,

William R. Hendee, PhD
