Dear Ms Crossett:

This is to inform you that the accreditation of the University of Iowa Radiation Oncology Physics Residency Program has been administratively extended to June 30, 2013, to provide CAMPEP with sufficient time to review the documentation in support of the re-accreditation of the program.

In addition, please clarify the administrative structure of the residency program, now that Dr Bayouth has left your institution.

Sincerely,

William R. Hendee, PhD  
President and Chairman
