Dear Dr Siochi:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Educational Programs (CAMPEP), I am pleased to inform you that the Residency Program in Medical Physics at the University of Iowa Hospitals and Clinics has been granted reaccreditation through December 31, 2017. This accreditation is contingent upon completion of acceptable annual reports.

Please accept our congratulations on the reaccreditation of your program. A copy of the Program Review Document is attached, which identifies suggestions for improvement on your program. You are expected to provide annual progress reports on these suggestions and also to provide information regarding any substantive changes in the program.

By separate cover, you will receive a framed certificate acknowledging accreditation of the program. Please contact me if you have any questions or suggestions on the accreditation process.
