Dear Dr Wu:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Educational Programs (CAMPEP), I am pleased to inform you that the Residency Program in Medical Physics (Therapy) at The New York Presbyterian Hospital, Columbia University and Cornell University has been granted accreditation through December 31, 2015. Accreditation will automatically be extended through December 31, 2017, upon completion of acceptable annual reports.

Please accept our congratulations on the accreditation of your program. A copy of the Program Review Document is attached, which identifies suggestions for improvement on your program. You are expected to provide annual progress reports on these suggestions and also to provide information regarding any substantive changes in the program.

By separate cover, you will receive a framed certificate acknowledging accreditation of the program. Please contact me if you have any questions or suggestions on the accreditation process.

Sincerely,

William R. Hendee, PhD
