Dear Dr. Avery:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Educational Programs (CAMPEP), I am pleased to inform you that the accreditation of the University of Pennsylvania Graduate Program in Medical Physics has been extended through December 31, 2015. This accreditation is contingent upon completion of acceptable annual reports.

Please accept our congratulations on the accreditation of your program. You are expected to provide annual progress reports and also to provide information regarding any substantive changes in the program.

By separate cover, you will receive a framed certificate acknowledging reaccreditation of the program. Please contact me if you have any questions or suggestions on the accreditation process.

Sincerely,
