Columbia MO 65211

Dear Dr Rubin:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Educational Programs (CAMPEP), I am pleased to inform you that the accreditation of the University of Missouri Graduate Program in Medical Physics has been extended through December 31, 2015, with the understanding that there will be no new students accepted into this program during this time. Additionally, please note that should you wish to open the program to new students in the future, we will require submission of an appropriate self study document and a full review process. This accreditation is contingent upon completion of acceptable annual reports.

Please accept our congratulations on the accreditation of your program. You are expected to provide annual progress reports and also to provide information regarding any substantive changes in the program.

By separate cover, you will receive a framed certificate acknowledging reaccreditation of the program. Please contact me if you have any questions or suggestions on the accreditation process.

Sincerely,

William R. Hendee, PhD
President and Chairman
