Dear Dr Both:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Education Programs (CAMPEP), I am pleased to inform you that the Residency Program in Radiation Oncology Physics, Hospital of the University of Pennsylvania, has been reaccredited through December 31, 2018. This accreditation is contingent upon addressing the requirements of the Program Evaluation, which is enclosed, and completion of acceptable annual reports.

Please accept our congratulations on the reaccreditation of your program. You are expected to provide annual progress reports and also to provide information regarding any substantive changes in the program.

By separate cover, you will receive a framed certificate acknowledging reaccreditation of the program. Please contact me if you have any questions or suggestions on the accreditation process.

Sincerely,

Wayne Beckham, PhD
President and Chairman
