Terry Button, PhD
Stony Brook University
HSC L4/Rm4-120
Stony Brook, NY 11794

Dear Dr Button:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Educational Programs (CAMPEP), I am pleased to inform you that your Residency Program in Imaging Physics, Stony Brook University, has been reaccredited through December 31, 2016. The reason for the short accreditation period was that concern was expressed in the review of the program over the institution's financial support of the program. Accreditation could be extended until December 31, 2019, provided documentation describing the department's financial support for the program is submitted to the REPRC for review in 2016. A letter from the department chair verifying this support must be included with the documentation. This accreditation is also contingent upon completion of acceptable annual reports.

Please accept our congratulations on the reaccreditation of your program. You are expected to provide annual progress reports and also to provide information regarding any substantive changes in the program.

By separate cover, you will receive a framed certificate acknowledging reaccreditation of the program. Please contact me if you have any questions or suggestions on the accreditation process.

Sincerely,

Wayne Beckham, PhD
President and Chairman

Xc: Joann I Prisciandaro, PhD, Secretary/Treasurer
Chester Reft, PhD, Chair REPRC
