Dear Dr Kerr:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Educational Programs (CAMPEP), I am pleased to inform you that the Medical Physics Residency Training Program, Kingston Cancer Centre, has been granted initial accreditation through December 31, 2017. This accreditation can be extended through December 31, 2019, pending acceptable annual reports and verification of the program's stability.

Please accept our congratulations on the accreditation of your program. You are expected to provide annual progress reports and also to provide information regarding any substantive changes in the program.

By separate cover, you will receive a framed certificate acknowledging reaccreditation of the program. Please contact me if you have any questions or suggestions on the accreditation process.

Sincerely,

Wayne Beckham, PhD
President and Chairman
