On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Education Programs (CAMPEP), I am pleased to inform you that the Medical Physics Residency Training Program in Radiation Oncology in the University of Minnesota has been reaccredited through December 31, 2020. This accreditation is contingent upon completion of acceptable annual reports.

Please accept our congratulations on the reaccreditation of your program. You are expected to provide annual progress reports and also to provide information regarding any substantive changes in the program.
