

2017 Residency Program Disclosure Data

Note: All data is self-reported by the individual program

Name of Institution	During this reporting period, how many students applied to, were ranked in the Match, and were matched to your residency program?			During this reporting period, how many students applied to, were offered admission, and entered your residency program?			How many of your residents were selected in the Match and how many were selected outside the Match?		During this reporting period, how many residents who entered into your residency program, if applicable, were					
	Applicants	Ranked in Match	Were matched	Applicants	Offered Admission	Entered Program	Number inside the Match	Number outside the Match	Graduates of CAMPEP- accredited MS/MSc programs	Graduates of CAMPEP- accredited PhD/DSc programs	Graduates of CAMPEP- accredited certificate programs	Graduates of non- accredited medical physics programs	Graduates of non-medical physics graduate programs	Other

On average, how many positions PER YEAR are offered in your residency program?

How many residents IN TOTAL do you have in your residency program?

During this reporting period, how many residents completed their residency?

During this reporting period, how many residents left the program prior to completion?

Estimate how many months following completion of degree requirements it took for residents to find and accept their first employment position.

Following completion of the residency program, how many of the residents who completed their residency during this reporting period

	took a position in a Private or Community hospital?	took a position in a Government hospital?	took a position in a Medical School or University hospital?	took a position in a College or University?	took a position in Government (non-hospital)?	took a position in a Medical Physics Service Group?	took a position in a Medical (Physician's) Group?	took a position in an Industrial or Commercial Firm?	took a position in a Cancer Center?	took a position outside of medical physics?	are still seeking a position?	Other
