

Summary of Board Actions

January 1, 2018 - November 25, 2018

Residency Programs

Date	Program	Therapy (T) or Imaging (I)	Activity
9-Mar	University of Utah Huntsman Cancer Hospital Residency Program in Therapeutic Radiological Medical Physics	T	granted initial accreditation to December 31, 2020
9-Mar	Juravinski Cancer Centre Residency Program in Medical Physics	T	granted initial accreditation to December 31, 2020
9-Mar	Loma Linda University Medical Center Residency Program in Therapeutic Medical Physics	T	granted initial accreditation to December 31, 2020
9-Mar	Radcom Associates Residency Program in Diagnostic Radiological and Medical Nuclear Physics	I	granted initial accreditation to December 31, 2020
9-Mar	Versant Medical Physics and Radiation Safety Residency Program	T	granted provisional reaccreditation to December 31, 2019
10-Apr	Virginia Commonwealth University Physics Residency Program	T	granted reaccreditation to December 31, 2022
10-Apr	University Hospitals Case Medical Center Residency Program in Medical Physics	T	granted reaccreditation to December 31, 2022
10-Apr	University of Toronto Radiation Oncology Physics Residency Program	T	granted reaccreditation to December 31, 2022
10-Apr	University of California Irvine Medical Physics Residency Program	T	granted reaccreditation to December 31, 2022
10-Apr	Thomas Jefferson Hospital & Christiana Care Health System Residency Program	T	granted reaccreditation to December 31, 2022
10-Apr	Indiana University Medical Physics in Radiation Oncology Residency Program	T	granted reaccreditation to December 31, 2022
10-Apr	New York University Residency Program in Medical Physics Therapy	T	granted reaccreditation to December 31, 2022
10-Apr	University of Alabama at Birmingham Residency Program in Radiation Oncology Medical Physics	T	granted reaccreditation to December 31, 2022
10-Apr	Medical Physics Residency Program at Northwestern Memorial Hospital New York Presbyterian Hospital, Columbia University and Cornell University Residency Program in Medical Physics (Therapy)	T	granted reaccreditation to December 31, 2022
10-Apr	The University of Texas M.D. Anderson Cancer Center Diagnostic Imaging Physics Residency Program in Medical Physics	I	granted reaccreditation to December 31, 2022
10-Apr	Cross Cancer Institute Residency Program in Medical Physics (Imaging Physics)	I	granted provisional reaccreditation to December 31, 2019
10-Apr	Boston Children's Hospital and Harvard Medical School Diagnostic Imaging and Nuclear Medical Physics Residency Program	I	granted provisional accreditation to December 31, 2020
26-Jun	University of New Mexico Residency Program in Medical Physics Imaging	I	granted initial accreditation to December 31, 2021
31-Jul	Diagnostic Imaging Physics Residency Program, Medical and Radiation Physics, Inc	I	granted initial accreditation to December 31, 2021
31-Jul	Residency Program in Medical Physics, Univ of Florida Proton Therapy Institute	T	granted provisional accreditation to December 31, 2020
31-Jul	Medical Physics Imaging Residency Program, Emory University	I	extended provisional accreditation to December 31, 2019
22-Sep	University of Kentucky Medical Physics Residency Program at the Alyzen Medical Physics Group West Physics Consulting, LLC, Residency Program in Diagnostic Imaging and Nuclear Medicine Physics	T	granted provisional reaccreditation to December 31, 2019
22-Sep	Residency Training Program in Radiation Oncology Physics, University of Louisville School of Medicine	I	granted reaccreditation to December 31, 2023
12-Oct	Radiation Oncology Physics Residency Program, Baylor Scott & White Health	T	motion to grant reaccreditation to December 31, 2023, tabled
12-Oct	Residency Program in Radiation Oncology Physics, University of California San Francisco	T	granted reaccreditation to December 31, 2023
12-Oct	Residency Program in Radiation Oncology Physics, University of California San Francisco	T	granted reaccreditation to December 31, 2023
25-Nov	Medical Physics Program, London Regional Cancer Program	T	granted reaccreditation to December 31, 2023
25-Nov	Residency Program in Imaging Physics, Medical College of Wisconsin	I	extended accreditation to December 31, 2020

25-Nov	Residency Program in Medical Physics, University of Washington	T	granted reaccreditation to December 31, 2023
25-Nov	Radiation Oncology Physics Residency Program, Rush University	T	granted reaccreditation to December 31, 2023
25-Nov	US Navy Diagnostic Medical Physics Residency Program, Naval Medical Center Portsmouth, Virginia	I	granted initial accreditation to December 31, 2021 motion to grant reaccreditation to December 31, 2023, voting deferred
25-Nov	Therapeutic Radiologic Physics Residency Program, UF Health Cancer Center – Orlando Health	T	pending resolution of several issues
25-Nov	Therapeutic Medical Physics Residency Program, University of Nebraska	T	granted reaccreditation to December 31, 2023
25-Nov	Clinical Medical Physics Fellowship Program	T	granted reaccreditation to December 31, 2023
25-Nov	Residency Training Program in Radiation Oncology Physics, University of Louisville School of Medicine	T	granted reaccreditation to December 31, 2023

Graduate Programs

Date	Program	Degree	Activity
9-Mar	Indiana University/Purdue University Graduate Program	MS, PhD	granted reaccreditation to December 31, 2022
9-Mar	University of Minnesota Graduate Program	MS, PhD	granted reaccreditation to June 30, 2023
9-Mar	University of Alberta Graduate Program	MS, PhD	granted reaccreditation to June 30, 2023
26-Jun	Wayne State DMP Program	DMP	granted provisional accreditation to December 31, 2020
26-Jun	Washington University Certificate Program	certificate	granted initial accreditation to December 31, 2020
26-Jun	Medical College of Wisconsin Certificate Program	certificate	granted reaccreditation to December 31, 2023
26-Jun	Univ of Texas MD Anderson Cancer Center UTHealth Graduate School of Biomedical Sciences Graduate and Certificate Programs	MS, PhD, cert	granted reaccreditation to December 31, 2023
26-Jun	University of Massachusetts Lowell MS and PhD Graduate Programs	MS, PhD	granted reaccreditation to June 30, 2023
26-Jun	University of Nevada Las Vegas MS Program	MS	extended accreditation to December 31, 2021
26-Jun	University of British Columbia - Okanagan Graduate Program	MSc	extended accreditation to December 31, 2021
26-Jun	University of Arizona Professional Science Master's Degree in Medical Physics Program	MS	granted reaccreditation to June 30, 2023
31-Jul	University of Texas Health Science Center at San Antonio	PhD, DMP	extended accreditation to December 31, 2019, to synchronize accreditation of both programs
31-Jul	University of Cincinnati	MS, DMP	extended accreditation to December 31, 2018, to synchronize accreditation of both programs
22-Sep	MS Program in Medical Physics, Creighton University	MS	granted provisional accreditation to December 31, 2021
22-Sep	Graduate Program in Medical Physics, The University of Chicago	PhD, cert	granted reaccreditation to December 31, 2023
12-Oct	University of Cincinnati	MS, DMP	motion to grant reaccreditation to December 31, 2023, tabled
12-Oct	McGill University	MS, PhD, cert	granted reaccreditation to December 31, 2023
12-Oct	Certificate Program in Medical Physics, University of Texas Southwestern Medical Center	certificate	granted accreditation to December 31, 2021
25-Nov	Professional Science Masters in Medical Physics Program and the Certificate Program in Medical Physics, Florida Atlantic University	MS, cert	motion to grant reaccreditation to December 31, 2023, voting deferred pending resolution of several issues
