

Summary of Board Actions

January 1, 2023 - September 23, 2023

Residency Programs

Date	Program	Therapy (T) or Imaging (I)	Outcome
21-Jan	Diagnostic Imaging Medical Physics Residency Program, Petrone Associates	I	Extended initial accreditation to December 31, 2023, with a further extension to December 31, 2025, pending acceptable annual reports. Noncompliance resolved March 29, 2023.
21-Jan	Hackensack University Medical Center Residency Program in Radiation Oncology Physics	T	Extended initial accreditation to December 31, 2023, with a further extension to December 31, 2025, pending acceptable annual reports.
21-Jan	Kaiser Permanente Residency Program in Diagnostic Imaging and Nuclear Medicine Physics	I	Extended initial accreditation to December 31, 2023, with a further extension to December 31, 2025, pending acceptable annual reports.
21-Jan	Residency Program in Diagnostic & Nuclear Medicine, The University of Texas Health Science Center McGovern Medical School	I	Granted reaccreditation to December 31, 2027
21-Jan	Medstar Georgetown University Hospital Radiation Physics Residency Program	T	Extended initial accreditation to December 31, 2024, with a further extension to December 31, 2026, pending acceptable annual reports.
21-Jan	Atrium Health Wake Forest Baptist Medical Physics Residency Program	T	Granted initial accreditation to December 31, 2024, with a site visit to be scheduled after the first resident is in the program for a year. Accreditation may be extended to December 31, 2025, pending the site visit, with a further extension to December 31, 2027, pending acceptable annual reports.
18-Mar	Residency Program in Therapeutic Medical Physics, Novant Health Care Institute	T	Granted initial accreditation to December 31, 2024, with a site visit to be scheduled after the first resident is in the program for a year. Accreditation may be extended to December 31, 2025, pending the site visit, with a further extension to December 31, 2027, pending acceptable annual reports.

27-Apr	Medical Physics Residency Program, Mayo Clinic Arizona	T	Granted reaccreditation to December 31, 2027
27-Apr	Radcom Associates LLC Residency Program in Diagnostic and Medical Nuclear Physics	I	Granted reaccreditation to December 31, 2027
27-Apr	The Ottawa Hospital Clinical Residency in Radiation Oncology	T	Granted reaccreditation to December 31, 2027
27-Apr	University of California, Irvine, Medical Physics Residency Program	T	Granted reaccreditation to December 31, 2027
27-Apr	Medical College of Wisconsin, Radiation Oncology Medical Physics Residency Program	T	Granted reaccreditation to December 31, 2027
27-Apr	University of Toronto, Medical Physics Residency Program	T	Granted reaccreditation to December 31, 2027
20-May	Imaging Physics Residency, University of Pennsylvania	I	Extended initial accreditation to December 31, 2024, with a further extension to December 31, 2026, pending acceptable annual reports.
20-May	City of Hope Comprehensive Cancer Center Residency Program in Radiation Oncology Physics	T	Granted initial accreditation to December 31, 2024, with a site visit to be scheduled after the first resident is in the program for a year. Accreditation may be extended to December 31, 2025, pending the site visit, with a further extension to December 31, 2027, pending acceptable annual reports.
20-May	Medical Physics Residency Program, Banner MD Anderson Cancer Center	T	Granted reaccreditation to December 31, 2027
27-Jun	Diagnostic Imaging Physics Residency Program, The University of Texas MD Anderson Cancer Center	I	Granted reaccreditation to December 31, 2027
25-Jul	Corwin Health Physics Diagnostic (Imaging) Medical Physics Residency Program	I	Granted reaccreditation to December 31, 2027
25-Jul	Loyola University Medical Center Residency in Radiation Oncology Physics	T	Granted reaccreditation to December 31, 2027
25-Jul	University of Florida Diagnostic Imaging Medical Physics Residency Program	I	Granted reaccreditation to December 31, 2027. Noncompliant with Residency Standard 3.3. Noncompliance to be posted if not resolved in 90 days (October 31, 2023).
26-Aug	Residency in Therapeutic Medical Physics, Medical Physics Consulting, Inc.	T	Extended initial accreditation to December 31, 2024, with a further extension to December 31, 2026, pending acceptable annual reports. Noncompliant with Residency Standard 2.14. Noncompliance to be posted if not resolved in 90 days (November 30, 2023). Noncompliance resolved Sept 4, 2023.

26-Aug	Imaging Physics/Nuclear Medicine Physics Residency, Stony Brook University	I	Granted reaccreditation to December 31, 2027. Noncompliant with Residency Standard 2.14. Noncompliance to be posted if not resolved in 90 days (November 30, 2023).
23-Sep	Residency Program in Radiation Oncology Physics, NYU Langone Health	T	Granted reaccreditation to December 31, 2027

Graduate Programs

Date	Program	Degree	Outcome
21-Jan	Graduate Medical Physics Program, Toronto Metropolitan University	MSc, PhD	Granted reaccreditation to December 31, 2027
21-Jan	Graduate Medical Physics Program, McMaster University	MSc, PhD	Granted initial accreditation to December 31, 2025. Accreditation may be extended to December 31, 2027, pending acceptable annual reports. Noncompliant with Graduate Standards 2.12, 8.3, 8.5, and 8.7. Noncompliance to be posted if not resolved in 90 days (April 1, 2023).
21-Jan	Medical Physics Graduate Program, University of Miami	MS, PhD, certificate	Granted reaccreditation to June 30, 2027
21-Jan	Medical Physics Graduate Program, Johns Hopkins University	MS	Granted initial accreditation to December 31, 2025. Accreditation may be extended to December 31, 2027, pending acceptable annual reports.
18-Feb	Medical Physics Graduate Program, Wake Forest University	MS, PhD, certificate	Granted initial accreditation to June 30, 2026. Accreditation may be extended to June 30, 2028, pending acceptable annual reports. Noncompliant with Graduate Standards 7.4, 7.8, and 8.7. Noncompliance to be posted if not resolved in 90 days (May 31, 2023).
27-Apr	Graduate Program in Medical Physics, University of California - Berkeley	PhD	Granted initial accreditation to June 30, 2026. Accreditation may be extended to June 30, 2028, pending acceptable annual reports. Noncompliant with Graduate Standards 2.6, 2.12, 3.3, 4.3, 8.1, 8.2, and 8.5. Noncompliance to be posted if not resolved in 90 days (July 31, 2023)
27-Apr	Graduate Medical Physics Program, Florida Atlantic University	MS, certificate	Granted reaccreditation to December 31, 2024. Accreditation may be extended to December 31, 2026, pending acceptable annual reports and documentation addressing program requirements. Noncompliant with Graduate Standards 3.2 and 8.5. Noncompliance to be posted if not resolved in 90 days (July 31, 2023)
27-Apr	Graduate Medical Physics Program, University of California - Los Angeles	MS, PhD, certificate	Granted reaccreditation to June 30, 2027.

20-May Graduate Program in Medical Physics, University of Toronto

PhD

Granted initial accreditation to June 30, 2026. Accreditation may be extended to June 30, 2028, pending acceptable annual reports.
